**SPANISH AND COSTA RICAN CULTURE PROGRAM FOR FOREIGNERS**

**Course name:** Advanced Spanish Level C2

**Description:**

This course is aimed at students who already possess sufficient declarative knowledge to deal with all kinds of situations. The students at this level are proficient in different registers and have a good command of idiomatic and colloquial expressions. In this course emphasis will be given to the construction and application of specific semantic fields, as well as to the development of a greater cultural awareness. At the end of the course the student will have developed the linguistic competences to reach the high advanced level (C2) according to the CEFR for Foreign Languages.

**General objective**

1. Achieve lexical fluency and be able to understand any interlocutor, even when dealing with abstract and complex topics of a specialized nature and beyond their own field of expertise, provided that, if necessary, they can be done with an accent that is not the standard.
